CNY Rotary District Conference: April 4-6, 2025

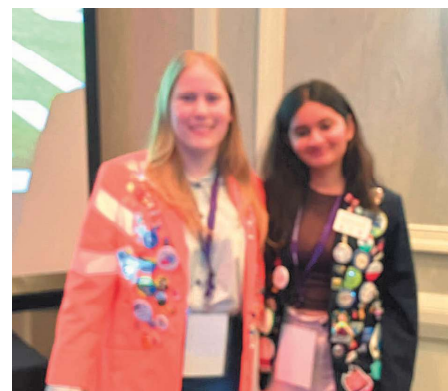

## Conference of Champions!

CBR Exchange Student **Nishi Kadvani** holds the flag of her native India, and Noon Rotarian Exchange Student **Cathelijne Van Der Pluijm** carries the flag of the Netherlands.

Conrad Janke and Nishi Kadvani both attended the Conference.

One of the most striking motifs that they elicited was how much fun they had! Not only was the Conference well paced and interesting, but the interaction with other Rotarians is always the star of the show!
